OK – before I think too hard about the travel arrangements, I need to know who all is going –even if we have more than 1 vehicle going. And I’m not going to plan for everyone – but it does make sense to coordinate so that we’re not spread all over for lodging.

My thoughts on who: Martin, Dan Wall, Paula, Cynthia, Steve Way, someone from Site Assessment (we are talking about listing??) and one of the 2 of you. Does that sound about right?

Paula/Steve,

Martin asked me to have you (Paula) make arrangements for the Upper Animas trip on 4/22-24. I assume you will be taking an EPA vehicle. Please let Martin know the details of his travel plans. Also let Noah know about hotel accommodations.

Thanks!

Bill
